- ✓ Cleansing tablets for denture appliances
- ✓ Deep cleansing effect
- ✓ Anti-stain and anti-scale formula

Strong Cleansing Action

Through its innovative formula, this highly effervescent denture cleanser tablet provides a deep cleanse for your dentures.

Daily usage is recommended to maintain good oral hygiene and reduce plaque build-up.

The formula leaves your dentures with a fresh minty flavour and helps ensure that your dentures stay odour-free. It's easy to use and its proven active-oxygen formula will allow you to once again, eat, drink and smile with confidence.
